

## Truckee Team Meet Roseville; Lost To Folsom

Joe Bernard Gets Most  
Of Truckee's Hits,  
3 For 4

The Truckee baseball team dropped the first game of the Placer-Nevada League series to Folsom Sunday by a score of 13 to 3.

Karl Kielhofer, local chucker, started on the mound and pitched a good consistent game until the seventh inning when his arm gave out and he was forced to quit the game. At that time the score was 5 to 2 in favor of the home team. Manager Mike Korich made switches in the lineup, putting Stevens, who had played first, on the mound and moving the rest of the infield around to try to take up the slack.

The game marked the first time the local boys had been in the stiff competition offered in the league and Manager Korich hopes by next Saturday night, when the team goes to Roseville for a game with Wolf and Royer, they will have the weak spots plugged and be ready to put the first scalp under the Truckee belt.

Joe Bernard did the hitting for Truckee Sunday, getting three hits in four times up and accounting for more than half the local hits. Joe played second until the change over in the seventh. Others on the local lineup were Burrell, Metcalf, Williams, Connors, O'Donnell, Baxter, Martin and Korich.

The score: R H E  
Truckee 3 7 4  
Folsom 13 16 1

## State Official Is Named To Head School District

Woodland Man Hired  
At \$7,500 Yearly  
for Four Years

Everett J. O'Rourke, a resident of Woodland and since 1947 a consultant secretary for the secondary department of the state board of education, has been appointed superintendent of the Tahoe Truckee Unified School District.

The appointment was made by the board of trustees at a meeting Friday night.

O'Rourke's application for the position was made after four applicants had been interviewed by the board on the preceding Monday and his name did not appear in the list under study by the board. The new superintendent will assume his new duties on May 15 at a salary of \$7,500 annually for a four-year contract.

The new superintendent is a graduate of the University of California and obtained his master's degree in 1940. Before accepting his position with the state department of education, O'Rourke was coordinator in the Yolo County schools, a post he held from 1943 to 1946. Prior to that he was principal in a number of northern California towns and comes here highly recommended by state board officials.

O'Rourke has made his home in Woodland for the past several years. He is married and has a 17-year-old son.

The new superintendent will be here tomorrow for a conference with board members but is not expected to be here permanently until next month.

## BUSLINE EXPANDS SERVICE THROUGH MOUNTAIN AREA

C. L. Schaller, sales representative of the American Burlington Buslines, announced the appointment this week of A. J. Walters as their new agent in Truckee. The new bus depot will be located in the Sierra Tavern Hotel.

American Burlington Buslines recently leased the local operating rights from the Gibson Lines between the Nevada State Line and Sacramento and are now in a position to offer local transportation to the residents of Truckee. Three round trips daily are being operated through this area.

## Newsman Descend On Squaw Valley Region

A group of prominent newspaper men were guests Sunday of the promoters of the Squaw Valley winter sports developments and were taken on a tour of the valley by Wayne Poulsen and other officials. The newsmen were impressed with the project and see in it one of the foremost winter sports areas in the world. Work on the project is continuing and will be in full swing as soon as the snow is sufficiently melted.

Frank L. Titus of Truckee accompanied the visitors on the tour.

## 65 Witness Seating Of Wyethia Officers

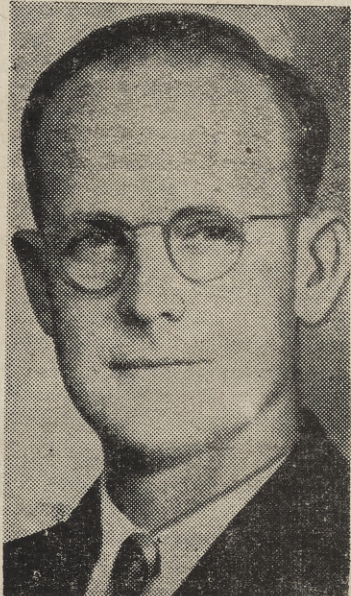

Sixty-five members and prospective members attended the installation of officers of the Wyethia Women's Club on Friday evening, April 22.

Mrs. N. F. Dolley, installing officer, seated Mrs. Rufus Gregory as president; Mrs. Raymond Scott, vice president; Mrs. Barney Phipps, secretary and Mrs. Jack Ellis, treasurer. Mrs. David Rose was the proxy for Mrs. Ellis who was on vacation.

Mrs. T. T. Buell, Robert Bick, Frank Gaennie and W. C. Gage, all past presidents, were on the refreshments committee. Spring flowers were used for decorative interest.

Mrs. Walter Loynd will be in charge of the entertainment for the meeting to be held at 8:00 p.m. Friday, May 6.

## DUAL ELECTION SCHEDULED ON NEXT TUESDAY

Attention is again being called to the elections to be held here Tuesday, May 3.

The balloting will be held jointly for two members of the Truckee Fire District, with F. W. Gaennie and B. J. Riordan as the only candidates, and one member of the Truckee Public Utility board with Charles R. Heller as the candidate. Both Riordan and Gaennie are incumbents and Heller filed to succeed C. E. Smith who declined to accept the nomination.

The polls will be open from 6 a.m. until 7 p.m. and will be held at the office of the utility district.

## Truckee Lodge Ready To Mark 70th Year

Summit Lodge 54, Knights of Pythias, will celebrate its 70th anniversary at the annual Roll Call in the IOOF Hall on the evening of May 20.

The program, to which the public is being invited, is in the hands of a committee headed by E. D. Waters, the chancellor commander. Others on the committee are Charles R. Heller, F. W. Gaennie, Robert Tonini and W. M. Englehart Sr.

## Canning Executive Is Speaker at Rotary

Roy Regals, public relations director of Bercutt-Richards Canning Corporation of Sacramento, spoke on the industry he represents before the local Rotary Club Monday night, distributing recipe books and canned merchandise to the members. Ernie Tschopp presided and Virgil Jones was program chairman.

Visiting Rotarians included Pete Land, Ed White, Pancake Hartwell, all of Loyalton, and Tom Richards of Sacramento. Other guests were Bill Wilkie Sr., Bill Wilkie Jr., Frank Titus and Sam Faulkner.

Charter night and ladies night will be held at Beacon Hill Lodge on June 4.

## Ray Looks Back On 45 Years Railroading

C. H. Ray observed his birthday on April 22 and the same day completed 45 years and three days of railroading. Ray plans to retire next year and observes he is "ten years behind on his fishing and ten years behind on his pinocle" and intends to catch up after he retires.

## Food Sale to Benefit Grade School Pupils

Seventh and Eighth grade pupils of the Truckee grammar school are conducting a food sale tomorrow at the Public Utility office here, starting at 10 a.m. Mrs. Guy White and Mrs. H. A. Hagstrom are assisting them and proceeds will help defray the expenses of graduation activities. The sale starts at 10 a.m.

## Barbecue Will Feature First Truckee Game

Pre-Game Feast to Mark  
Placervillers' Visit  
On May 15

Preparations are being made for the first home baseball game of the season on Sunday, May 15, when the Truckee club will meet the Placerville nine at the local park.

A feature of the day, according to current plans, will be a barbecue prior to the game. Business Manager R. N. Little says that tentative arrangements call for a steak dinner to be served at noon. Home-made salads, cakes and a lot of other good eats will be on the menu and everyone is being invited to come out to the ball park and enjoy the celebration.

A minimum charge will be made and all proceeds will go to the ball club.

## VOLUNTEER HELP IS BEING SOUGHT FOR BALL PARK

N. F. Dolley, in charge of the Truckee baseball park, is asking for volunteers, who would like to give assistance to the team, to report at the park Friday, Saturday and Sunday afternoons where a bit of labor will put the field in excellent shape for the opening game here May 15.

Considerable work has already been done. Yesterday Dolley elevated the pitcher's mound the required height and started other improvements which should be completed.

## CHALLENGES FLY AT JOINT MEET OF SERVICE CLUBS

Truckee Lions Club and Truckee 20-30 Club held a joint meeting at Cozzi's Wednesday evening. Guests were Bob Bowers and Dick Lee of Reno, Johnny Rablin, Duke Mathes, Bill Knox, Frank Giovannoni and William Curran of Truckee. 20-30's challenged the Lions to a softball game the first Sunday in June and the Lions challenged the 20-30 Club to a volleyball game on May 5. Dr. John Keys and Curran spoke briefly at the meeting.

Last Sunday 20-30 members painted the bleachers at the ball diamond. An informal picnic dinner was held for members and their families. The club plans to paint the backstop and dugouts next week.

## Refrigerated Show Case Added at Market Here

Dave Rose of the Truckee Public Market has just installed a "Help Yourself" refrigerated show case in his local store. The counter is inviting and keeps food in excellent condition, Rose said, and will supplement the large cooler in the rear of the store.

## Betty Parkhurst Tops School's Honor Roll

For the six weeks ending April 28, Betty Parkhurst headed the honor roll at the Truckee high school with 2.6, followed closely by Mike Goicoa who scored 2.5. Clarence Dunkelbarger was in third place with 2.4. Simon Dominguez and Jay Rablin, each with 2.3, tied for fourth place.

Honorable mention went to the following nine students all of whom had an average of 2.0 and over, with Margaret Davidson and Marlene Mahne topping the list with 2.2 each; Eleanor Dominguez, Ofelia Dominguez, Philip Ladd, Kay Baba, Dick Loynd, Cynthia Lynn and Lynne Peterson.

## Captain McKeen to Aid In Reno Police Tests

Captain Charles McKeen, a former Truckee state patrolman now in headquarters, Captain Al Cassell and Personnel Officer Wilber Smith were here yesterday en route to Reno where they will conduct promotional examinations for the Reno police.

## Sun Beams

by Walter M. Barrett

Local sportsmen tomorrow night will be given an opportunity of deciding whether or not a portion of the Truckee River shall be set aside for exclusive fly casting. This issue has been discussed pro and con for a number of years, with reasonably sound arguments offered by both sides. The meeting tomorrow evening is expected to determine whether an assembly bill, now resting in committee where it was referred after a heated floor argument in the lower house of the legislature, shall be brought out once more for a vote. Every sportsman or businessman interested in the future of the fishing in this district is invited and urged to attend the meeting so that a decisive vote can be taken.

The Truckee baseball club on Sunday lost the first game of the 1949 season. As a result there is naturally considerable talk about future games, who should play and why, and a variety of other suggestions. Of course we all hate to see the team lose a game but we must remember that the local boys have had little practice, the team is new in the faster league and a number of adjustments will be made in lineup, batting order, etc. Before we offer too much criticism, let's watch future developments. It is safe to assume that as the season advances so will the efficiency of the team and win or lose they are entitled to our support.

To make Truckee a better town, increase the value of your own property and promote local prosperity, there is one sure recipe—do as much buying as possible at home and boost your neighbor's stock.

## MATTHEUS WILL OPEN STORE IN TAHOE BUILDING

Herb Mattheus, proprietor of Mattheus Furniture here, this week announces that he will open a furniture store in Tahoe City early next week. He has leased space in the new Porter Building there.

Mattheus says he is giving up his lease at Kings Beach, where he operated a store last summer to concentrate on the new location at Tahoe City and the home store in Truckee.

## EAGLES TO COVER DANGER HOLES IN THIS VICINITY

Truckee Aerie 1124, Fraternal Order of Eagles, last week started action to discover and then close up any abandoned wells or other deep holes in the vicinity. Several have been reported and are regarded as a hazard to children playing in the community. The Eagles are seeking the cooperation of other organizations in their drive to cover these holes.

Tommy LaRocca is chairman of the committee, aided by William Curran, Harold Hodson and N. F. Dolley.

## One Motor Vehicle for 2.96 People in County

SACRAMENTO —(W.N.S.)— Nevada County has one motor vehicle for every 2.96 people.

This was developed from reports made by the state department of motor vehicles, which indicates there are 8,274 fee paid and exempt vehicles registered in the county.

Population of the county, according to records obtained from the office of the secretary of state, is 24,500.

The population of California is 10,264,400, according to the secretary of state's office, and the department of motor vehicles has 4,216,532 vehicle registrations, which would make one vehicle for every 2.7 persons in the state.

## Fishing Prospect Bright On Lakes For Next Sunday

Tahoe, Donner Expected  
To Attract Crowds  
on May 1

Prospects for the opening of the trout fishing season in Donner, Tahoe and Boca loom brightly, according to a report by Game Warden Tom Borneman to the division of fish and game.

In referring to Donner Lake, Borneman said:

"The effects of the late ice pack on the appetites of the fish is not known. Generally they should be eager to hit bait."

"Lake Tahoe is devoid of ice and prospects there look good," Borneman reports. "Boca reservoir now has the outlet gates closed with the result that the ice is gone. Fishing should be fair on Boca. However, best bets would be either Tahoe or Donner lakes."

The stream fishing does not open in this district until May 30 and fishermen are warned to stay off all water except the above three lakes in the area.

William Curran of the Forest Service in Truckee reports that recent warm, clear days have dried out the woods considerably. He urges that sportsmen and others in the forest be especially careful as a serious fire could easily be started in the present condition of the woods.

TAHOE—Tahoe fishermen this week are getting out the fishing equipment from the moth balls and preparing for opening day, May 1, which will be for Lake Tahoe, Donner Lake and Boca Reservoir only in this immediate vicinity this year. All back lakes and streams are closed until May 30 or later.

Carl Becholdt Jr., conceded to be one of Tahoe's most successful rainbow fishermen, believes that a "good season is ahead and fish should be plentiful. They can be seen swimming about local wharves and most of them are good sized." Asked about some tips on successful rainbow fishing, he declared he uses a light casting line about 150 feet long and recommended the Andy Reekers and Dardevle lures.

Charlie Swanson, one of Tahoe's old time fishermen, goes in for the big mackinaw. He's caught plenty of rainbow, German brown and silver too. His favorite bait is minnows and various types of plugs. If fishing from a rowboat, he suggests a 200 foot silk or linen line and an outboard motor is used, 300 feet or more should be used to reach the big fellows in the depths of the lake.

Waldo Gross, Lake Forest fishing guide, favors the Tahoe spoon and minnows, and numerous large trout are brought back each season to attest the value of his technique.

If Tahoe's beautiful sunny weather, now prevailing, continues an excellent opening day is anticipated for Lake Tahoe.

## Riddle Announces New Store for Sierra Chain

Ted Riddle, general manager of Sierra Markets Inc., announced this week that his concern has taken over one of the Obexer Buildings at Homewood for the fifth Sierra Market. Other stores are located at Truckee, Kings Beach, Bijou and Carson City.

## Softball Practice Set By 20-30 for Sunday

Hermann (Bud) Owens reports they are seeking players for a softball team to be sponsored by the Truckee 20-30 Club. Owens says there will be a practice session at the local ball park on Sunday at 2 p.m.

## Eight Are Initiated In Pythian Sisters Order

On April 14, Summit Temple 79, Pythian Sisters, headed by Bertha Tonini, MEC, initiated the following candidates:

Wanda Todd, Ruby Todd, Peggy Bertolozzi, Gloria Belveal, Frances Lucas, Kay Wilson, Dolores Osburn and Marie Forrest. Following the ceremonies refreshments were served.

There will be a regular meeting tonight in the IOOF hall here.

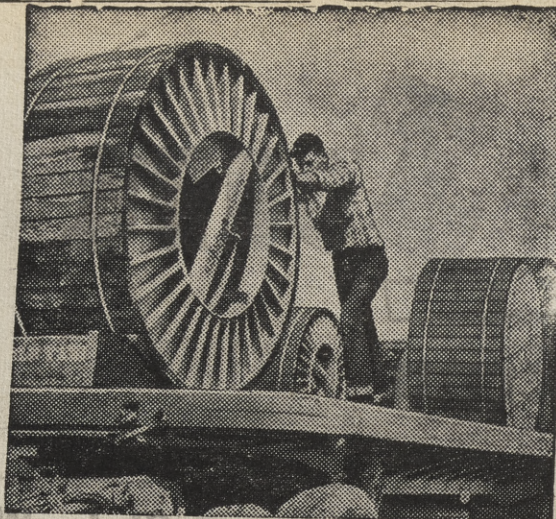

## Back from Trip—

Joe Mattos, who accompanied Sheriff R. W. Hoskins on a business trip to Montana last week, returned home Friday and Monday went to San Francisco on business. Mattos said that his visit of a score of other towns has convinced him Truckee is one of the best.

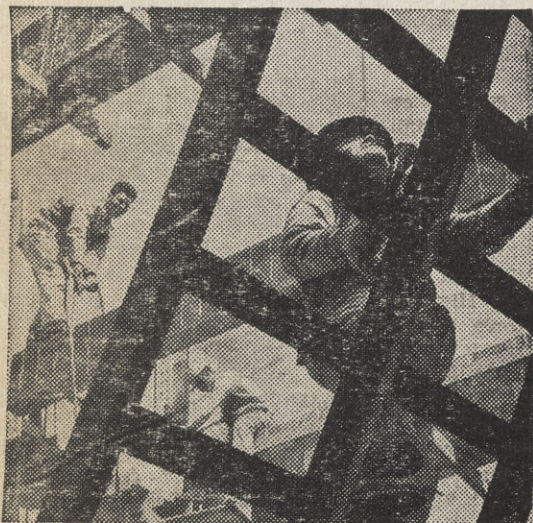

# HOW MANY COAST JOBS WERE BORN

Pacific Telephone's construction program has made work for countless thousands and added to the West's postwar prosperity

1. When you see telephone cable on its way to work, you're watching the West benefit in two important ways. It means new voice highways for the West... more telephones... better service. It also means jobs and paychecks for the men who make the cable, those who install it and, later on, those who maintain it. And putting in new cable is just a small part of our building program.

2. Hundreds of new buildings mean work for carpenters, bricklayers—and work for those who provide the materials. They mean future jobs for telephone people. Since the war, we've put half a billion dollars to work in new construction. Much of it has found its way in ever-widening circles into the economy of practically every city and town in the West.

3. More business for the baker, the druggist, the clothier—telephone construction has given the West a big postwar lift. There's no way, of course, to trace all the jobs created by just one mile of cable... or one building. But it would probably be hard to find a family whose income has not benefited, in some way, from the money we've spent to provide more service.

4. It all adds up—this tremendous building program—to a better West for all of us and better telephone service. You can help yourself to the best possible service, too. Such things as making sure of the right number before you call and giving the called party plenty of time to answer help make your telephone a better servant.

**The Pacific Telephone and Telegraph Company**  
Your telephone is one of today's biggest bargains

## Music Variety Program On Ladies Night For Tahoe Rotarians

TAHOE—North Tahoe Rotarians and their guests attending Ladies Night on Tuesday night, April 19, numbered 64. Mulford Miles of Kings Beach, president of the organization presided during the dinner, turning the gavel over to Master of Ceremonies Gerry Waters, who led the group in community singing with Mrs. Louella Boyce accompanying at the piano. Dennis Sach offered two vocal solos with the male quartet heard in several songs. This group included Sach, Waters, Miles and Dick Boyce. Chet Langenstein entertained with several offerings, accompanying himself on the banjo.

Entertainment was also provided when Langenstein, Basil Kehoe Jr., Elmer Stokes, Pete Huega and Steve Korich donned the latest women's fashions and paraded before the guests. Following the parade, Steve Korich was pronounced Queen for the night.

Fred Perley, manager of the Lake Tahoe Chamber of Commerce, gave a short talk praising the Lake Tahoe region and spoke encouragingly of making it a year-round resort area. He was accompanied by his wife, the guests of the Don Bowmans.

Theodore Schluter of Tahoe Park also spoke, giving a review of the recent plane trip local members made to the Rotary meeting in the east bay area.

Edward L. Moore of Tahoma is the most recent new member of the club.

## Queen for Two Days

Queen Dona Grace Burbage has been "borrowed" by the all-male student body at California State Polytechnic College at San Luis Obispo to reign at its 17th annual Poly Royal celebration April 29-30. Miss Burbage, Humboldt State College student, was picked to reign over the 2600 Cal Poly male students at the two-day "county fair on a college campus."

## Local Fire Officials Asked to Convent

Fire department officials from this area have been invited to attend the Northern California Fire Chiefs Association's annual convention to be held at Hoberg's in Lake County May 13 through May 15. Many prominent speakers will be heard and latest fire fighting equipment displayed as well as fire apparatus used in 1860. A special program for the ladies attending is being arranged. George Hoberg, chief of the department at Hoberg's, will be host on the occasion.

## Sanitation Engineers Required to Register

James A. Wheat, sanitation officer for the Placer County department of health, announces that all persons now engaged or who plan to engage in the business of pumping septic tanks and cesspools must register with the health department. This is done primarily to prevent promiscuous dumping of sewage and to eliminate the so-called "fly by night" pumpers who charge exorbitantly and fail to do good work.

## Tahoeites May Vote On Tax Rate Boost They Won't Have to Pay

TAHOE—A peculiar situation has arisen in the Tahoe area of the Placer Union High School District regarding the special election called to raise the tax rate 25 cents per \$100 for the next two years. The money is needed for new buildings and facilities at the Auburn plant.

Alfred E. Lentz, of the state department of education, advises Harold Chastain, superintendent of the Placer high school and college, "The elementary school districts (Donner Trail, Kings Beach and Tahoe Lake) which will become part of a unified school district on July 1, 1949, are not now a part of the Placer Union High School District insofar as the proposed bond election is concerned....The three districts are, however, a part of the Placer Union High School District for the purposes of any election held prior to July 1, 1949, under the Education Code....but they will not, of course, be subject to taxation by the high school district after July 1, 1949."

From District Attorney C. E. Tindall also came a ruling regarding the obligations which might be incurred by the three eastern districts. Tindall states: "It is the opinion of this office that no obligations would be incurred by these three districts regardless of whether you proceed by a bond election or levying of special taxes, for the reason that for such purposes the consolidation has already taken effect and it is only for other purposes that the consolidation takes effect on July 1, 1949."

Therefore, the voters of the Tahoe area of Placer County may vote on the proposed tax rate raise but will never be called upon to pay the new tax. They will go to the polls on May 20 to vote on the proposal.

The board of trustees and administration assure the voters that the Auburn school is in critical need of the facilities which are contemplated by the boost. If the vote is favorable, the election will bring a total of \$142,398 over the next two years. This is to be used in building classrooms to alleviate crowded conditions in the high school at Auburn.

Almost every city in China has its characteristic fan, distinguishable by its color and ornament, according to the Encyclopedia Britannica.

## Henry's Are Hosts For Marine Flyer, Wife

TAHOE—Mr. and Mrs. A. M. Henry of Tahoe last Thursday entertained Lt. and Mrs. Donald M. Kelly, USMC, of South Weymouth, Mass. The Kellys were en route to his new post at Whiting Field, Fla.

Lt. Kelly was in the Philippines when war struck and escaped the invaders via submarine. He has seen service in the South Pacific, Australia, the Netherlands East Indies, Hawaii and Panama.

The Kellys will visit at the home of her parents, Mr. and Mrs. D. D. Dooley at San Jose before continuing to Florida.

## Tahoe Letter

FROM SWANEE

Tahoe, April 25, 1949

Dear Tahoeites:

It's Monday again and time to recount a few of the week's happenings.

First of all came a real surprise for us Swansons when on Saturday afternoon we received a phone call from Bijou from our old friends the Eric Druhn, now of San Francisco but formerly of the Walker household at Sunnyside. They had just completed a week's vacation at the summer estate of Captain and Mrs. George Mawdsley, former Tahoeites, at West Point in the vicinity of Placerville, and were en route here to spend a day or so before returning to the bay

area and work again. They were guests at Tahoe Inn while here and dined with us. They enjoyed meeting many of their old friends at the Lake Tahoe Ski Club's pot-luck dinner Saturday night at the Inn and on Sunday we made the tough hike from the highway to Granlibakken where the junior ski meet was staged by Kjell Rustad, who has been giving skiing instructions to Tahoe Lake's elementary pupils. It was a beautiful day but even Gerry Waters' Jeep got stuck in the deep, icky mud. The Druhn and Mr. and Mrs. H. E. Brook of Kings Beach were our guests at dinner at the Inn on Sunday night, during which we welcomed back to the lake F. P. Faust of Forest Inn at Ward Creek. The Druhn left for home

early Monday morning.

Another visitor found the Swanson menage Sunday about midnight but it was one I can well do without. It was our first bear of the season, who stopped to knock over our garbage can and browse around. Son Jimmie picked him out by the flashlight and he disappeared but was back within the hour. This time I caught a fleeting, shadowy outline and heard him scamper off through the bushes. Evidently bears are now finished hibernating.

Chatted with Henry Droste who was a guest at the speakers' table Saturday night. He is making arrangements for the road to his home at Homewood to be dug out so he and his wife may move in for the summer season. At present Mrs. Droste is in Illinois visiting her father who is reported in poor health. The Drostes had a wonderful winter at the Beach Club in La Jolla but love Tahoe and will be glad to get settled.

Back too are Mr. and Mrs. Henry Soll of Tahoe Pines, who only recently returned from Washington where they visited for several weeks at the home her parents, Mr. and Mrs. Alfred Conrad, at Eatonville. Mrs. Soll's 86-year-old father is still active and able to work about his home despite his advancing years. The Solls were in the northwest in the vicinity of Portland during the big earthquake a few weeks ago. They noted the populace gathered in excited groups and found many chimneys had toppled. Mrs. Soll has received a letter from their daughter Alice (Mrs. Ali Sigurdsson of Iceland) who has applied for a passport to return to the United States and Tahoe with their young son Sigurd. He is now a year and a half old and is the Solls' only grandchild. The family is looking forward with anticipation to Alice's visit this summer. Her husband, who is a teacher in Iceland, will not accompany her but may fly out and join her before she returns home. Alice and son will fly to America.

Mr. and Mrs. Ralph Sturgis of Tahoe Park recently entertained as houseguests her mother, Mrs. E. R. Drake, and her brother-in-law and sister, Dr. and Mrs. A. C. Chenu, all of Sacramento. The Sturgises returned Sunday night from a three-day business trip to Los Angeles where they were guests of Tahoeites Mr. and Mrs. M. O. Johnson.

Expected back on May 15 are Mr. and Mrs. Bill Conger of Conger's Food. They spent the winter at Burbank and Mrs. Conger recently underwent a serious operation. His health is much improved and he has gained 20 pounds this winter.

Jack Starratt informs me that 15 photographers ascended en masse on Squaw Valley's proposed new ski resort site yesterday take pictures and get the publicity campaign underway.

The Bill Connors entertained over the weekend Mrs. Connors'

mother, Mrs. Anna Crehan of Pasadena, her son Bill and her daughter Andre, the latter an accomplished pianist.

Mrs. Herman Rau and children are enjoying a well earned rest in Sacramento where they are visiting at the home of her parents Bishop and Mrs. Noel Porter.

Donnie Prusso came out with flying colors in his recent examinations for railway mail clerk and may accept a position as clerk on the run between San Francisco and Reno soon.

Up from El Cerrito over the weekend was Mrs. Bea Sisk, former Tahoeite, who has been employed for some years by the E. B. Sisk family whose summer home is near the Catholic chapel here. She visited with friends here and made a trip to Reno with Mr. and Mrs. Dennis Sach before returning to the bay area. She reported her daughter Betty and family all well. Mrs. Sisk is just completing a small home for herself at El Cerrito.

Was pleased to receive a thank-you card and nice note from Terry Tollefson and his mother at Sun Valley. Terry still isn't up to writing so his mom takes care of his correspondence. She expressed appreciation for the prayers and kind wishes which have been sent to Terry during his trying experience and hopes the prayers will be continued in his behalf during his long period of convalescence which lies ahead. She says the doctor, who is a wonderful bone specialist, thinks it best not to move Terry yet so he will be remaining at Sun Valley Hospital for the time being.

Mr. and Mrs. Glenn Jackson, of the U.S. Forest Service Tahoe campground just north of Tahoe City were delighted to learn of the arrival of their first grandson on Monday, April 25, the son of their son, Norman, and his wife of Fort Lauderdale, Fla. The newcomer weighed 7 pounds at birth. The mother is the former Gwen McGill who lived at Kings Beach and attended school in Tahoe City.

Ring off for the week with a word about the snow. During the past two weeks the huge banks have disappeared as if by magic. Weather is grand, except for wind during the last two days. My best to all as ever, Swanee.

The United States built the first submarine ever to be employed in war in 1776.

## Students' Ski Meet Held At Tahoe to Show School's Class Work

TALHOE— Medals for first, second and third place winners in the Junior Ski Meet at Granlibakken Sunday, directed by Kjell Rustad, will be awarded as soon as they arrive.

The meet was staged for the benefit of families of youngsters Rustad has been instructing for the past few weeks through the Tahoe Lake elementary school athletic program. The school's trustees cooperate with skiing officials to give the children official instruction. The trustees, including Mrs. Northrup Pomin, Mrs. Marie Henry and Raymond Fellows, employed Rustad to instruct the youngsters as long as the snow remained in good shape.

Advanced students who participated in the nine-gate giant-slam Sunday, making three runs, were led by Lewis Fellows, 11, whose fastest run was 25.2 seconds. Others, in finishing order, were Jay Stuart, Phil Korich, and Rex Donaldson. Duane Pomin, 10, topped the junior girls in 48 seconds, followed by Christine Becholdt and Sharon Becholdt. Junior boys (six gates, two runs) were led by eight-year old Dick Johnson with 42.3 seconds, followed by Bob Sanford, Clayton Frey, Lief Nielsen, Darryl Pomin (who broke an ankle early in the season), and John French. Beginners were sent through three gates, two runs. First was John Smith, 9, with Gary Henry, Donna Porter and Billy Connors also in the event.

Timers were Ray Fellows and Floyd Carnell; recorders Marie Henry and Betty Lee; starters Bob French and Jim Morhain; announcer Gerry Waters and ski tow operator Dick Clarke. Gate keepers were Fred Holt and Bob French; tournament director, Rustad; forerunners were James Baker, Jack Starratt, Fred Holt, Bob French and Jim Morhain.

### 1948 FISH PLANTINGS

During 1948 the state division of fish and game planted 15,794, 842 trout, 801,058 salmon and 459,989 spiny-rayed fish from 27 state hatcheries.

In the central High Sierra area counties, the following numbers of trout and salmon were planted last year in the lakes and streams:

Alpine 400,688; El Dorado 1,442,632; Nevada 925,453; Placer 731,047; Plumas 1,020,671; Sierra 702,790.

## FLORISTON

by C. A. FELESINA

FLORISTON— Mrs. S. B. Buckner was in Floriston over the weekend opening her house and getting it ready for the summer. Mrs. Buckner, the widow of General Buckner, maintains a home in San Francisco too. Later in the summer she expects to leave for Germany to see her daughter who is with the Red Cross there.

Also in town from San Francisco getting their home ready for the summer were Mr. and Mrs. James West.

Mrs. Preston L. Wright stopped off over the weekend en route from a visit in Kentucky to her home in San Francisco. She visited at Mrs. Buckner's.

Mrs. Frank L. Seymour returned home from Long Beach where

she spent the winter with her son-in-law and daughter, Mr. and Mrs. M. R. Laking. Seymour came home about three weeks ago to get things in readiness for her.

Mrs. Wesley Craig returned from a visit with her parents, Mr. and Mrs. Virgil Simpson, in Pasadena.

Mrs. Vernon O'Brien, who has been visiting her mother, Mrs. F. Kilgore in Los Angeles has returned to Floriston.

Former residents who were in town over the weekend were Mr. and Mrs. Thomas Kelleher of Lovelock, Nev., and Mr. and Mrs. Leslie French of Truckee.

This is the time of the year when it becomes difficult to find copy material. 'Tis the twist and tween season. With a wonderful spring such as we haven't experienced in a long time, the snow is fast receding and the humming of the ski tows is becoming less and less. Had conditions followed through as they usually do this time of year when a snow flurry punctuates the month of April occasionally, we would have had spring skiing up until the middle of May. Now one can stand in a spot and practically watch the snow recede. This day the dammed up water of Lake Van Norden broke over the spillway with a mighty roar as though to protest its winter imprisonment. Mountaintops with a pick could be seen breaking into rotted long looking for grubs to start fishing season. All of these things are definite harbingers of spring. And yet the weather has occasioned a definite epidemic of spring fever for 'tis too early to start spring cleaning and the skiing crowds are becoming fewer so that one's time isn't fully taken up with guests. So there is nothing to do except twiddle one's thumbs and wait for the snow to disappear. We eagerly await its disappearance so that we might take our usual treasure hunting trip.

The third Thursday in April saw the first meeting of the Donner Community Club. The meeting was held in the school house with a large crowd attend-

ing. President Glen Parsons presided. Projects for this year were discussed and afterwards movies were shown and refreshments served. Ceyla and John Zahara were initiated as new members and some the month of June, Ceyla and John will teach our community club members all the intricacies of folk dancing. Both of these delightful people are teachers of the Folk Dancing Federation and we look forward to their instruction. After the community club meeting, the mothers met in the classroom for the purpose of forming a Mothers' Club. There is talk of starting a Brownie Scout troop so it looks a though the Community Club slate is pretty well

filled up for the season. Maria Schuster was presented with her special trophy for her fortitude in completing the Donner Trail Memorial Race — the only woman who competed and completed. The trophy, a beautiful, slender golden cup was presented by Edvi Aro, forest service recreational director.

Speaking of the Donner Trail Memorial Race, we hear that the Swedish and Norwegian legations in San Francisco are giving their cross country representatives a full month off next year with pay so that they may run the course and acquaint themselves with the terrain before racing day. The race was so acclaimed in European countries that representatives of Norway, Sweden and Denmark will run the race next year. We are writing a story of similarity (which is astounding) between the first Vagas race run in Sweden in 1923 and the first Donner Trail Memorial Race run in 1949 for the Swedish Ski Museum. As soon as it is finished we'll give you a reprint of the same. That Vaga race which draws 50,000 spectators throughout Europe every year was a memorial race too. The number of entries in their first race was the same number as ours and one woman competed in each. Axel Olsson told us this story and through his guidance we are getting a darned interesting yarn which fascinates us as we write it.

Little Rickie Misener has his birthday party next Tuesday. Wanda, his ma, is entertaining all of Rick's friends in the club room at Donner Summit Lodge. About 40 will attend and we'll tell you all about it next time.

The Winter Sports Committee meets on the 27th to hear a prospectus of next year's program. On the 28th comes the first meeting of the year for the Donner Trail Association at Rancho Sierra, Emigrant Gap.

H. A. (Tommy) Thompson of the Central Sierra Snow Laboratories moves his wife and two children from the valley into the mountains. They reside in the Beyer home at Soda Springs and two more children to the attendance of the Donner Trail School.

Virgil Jones moves across the street into the charming rock home which belonged formerly to the Ficetti family of Sacramento.

See Virgil Misener pulling his big truck out of a snow bank which makes us think that as soon as the snow is gone he will start on another unit of his future motel.

Reports from the county seat are that D. A. Hansen has purchased the interests of his partners A. A. Mercola and W. W. Naylor and is now the full owner of Rainbow Tavern resort. Hansen has been operating the property for the partnership for some time.

In this spring fever interim, we guess what we have written is about all that we can dig up for you this week.

MUNITIONS FOR CONTINENTAL ARMY—After Ethan Allen captured Fort Ticonderoga the heavy cannon were dismantled and with powder and shot were transported in midwinter on ox-drawn sleds over the Berkshires to Boston. There the patriots mounted the guns on Dorchester Heights overlooking the British occupation troops and on March 17, 1776, the British evacuated the city.

### East, West Meet at U.N. Assembly

Top level diplomats from the entire world are again meeting at United Nations Headquarters, New York, in the second part of the Third General Assembly Session. Here Dean Acheson (left), United States Secretary of State, shakes hands with Andrei A. Gromyko, Deputy Foreign Minister and head of the U.N. Delegation of the USSR.

### Silver Belt Ski Races On Weekend End Winter Sports Season

SODA SPRINGS—The 1949 skiing season wound up Saturday with the running of the Silver Belt trophy race at Sugar Bowl as the winter's snows retreat higher up the mountain as summer approaches.

Dodie Post of Reno, American Olympic team skier, swept the women's event in 1:30 with nine other feminine exponents of the hickory slats competing.

Yves Letreille, Yvan Tasche and Dean Perkins made it one, two and three to top the men's honors for Sun Valley. Twenty-seven other men from all over

the nation participated.

The course was set from the top of Mount Lincoln into the Sugar Bowl for the meet. Bart Prom of Sacramento was the fore-runner and Jerry Hiatt of Sugar Bowl was director of the events.

### Taxable Sales in County Show Slight Rise

Jerrold L. Seawell, member of the state board of equalization, reports that taxable sales in Nevada County registered on a 3.38 per cent gain in 1948 over 1947. Taxable sales in the county totaled \$16,162,000 upon which the state collected \$404,050 in sales and use taxes last year.

### Governor Signs Law To Let School Buses Leave California

SACRAMENTO — (W.N.S.)—Governor Earl Warren has signed a bill allowing California school buses to be used in trips to neighboring states.

The bill was proposed by Assemblyman Francis Lindsay of Loomis at the behest of counties bordering or very to the Nevada-California state line. Lindsay contended that transportation was almost impossible in some areas under existing law because roads wound back and forth over the borders of the two states.

This act by the governor will allow school districts to send pupils to neighboring states to participate in educational, recreational or sporting events.

Mr. and Mrs. Robert Campbell have returned to Tahoe from India and Sierra Madre where they spent the winter months.

Washoe County: Tributary streams to Lake Tahoe and 100 yards from mouth, May 30-October 31; Pyramid and Washoe Lakes, May 1 to October 31; Truckee River from the Asylum Bridge to two miles below Derby Dam, closed; all other waters, May 1 to October 31.

## Roosevelt Is Picked As Demo Candidate for Governor of State in '50

by CLEM WHITAKER JR.

SAN FRANCISCO—California's battling Bourbons are deep in the strategy of picking a team to field for the 1950 state elections—and candidates for the top positions of Governor, Lieutenant Governor, U.S. Senator and Attorney General have stepped up to the batter's box with all the enthusiasm of ballplayers shooting for berths with major league teams.

At the moment, Jimmy Roosevelt once again can be tagged as a strong Demo contender for gubernatorial honors. According to word along the political Rialto Mrs. F. D. Roosevelt interceded in his behalf with the White House and President Truman reportedly is ready to forgive and forget.

Jimmy Roosevelt, it will be remembered, led the "abortive attempt to undercut Truman at the Democratic convention last year and nominate General Eisenhower for the presidency in his place.

Should Truman recant in his opposition to Roosevelt, seasoned observers predict that former State Senator George Luckey may be willing to try for Lieutenant Governor, rather than the top spot. However, Roosevelt, at the moment, is said to prefer the A.F.L.'s Jack Shelley for a running mate. Still, Luckey currently stands high with the Truman Administration too.

Luckey, a wealthy man in his own right, is rumored to be pushing his name into the gov-

ernorship picture simply as a bargaining point.

All is not smooth sailing for the Roosevelt candidacy, however. Most state Democrats don't cotton to the idea at all and some of the big city organizations—quite probably San Francisco's—would be sure to oppose it.

Democratic State Party Chairman Oliver Carter, also a former state senator, is said to object strenuously to Roosevelt's candidacy and is being boosted himself as the man to succeed Governor Warren.

Another possible gubernatorial aspirant in the Democratic camp is George Outland, ex-congressman from Santa Barbara. And to round out the picture, Jack Shelley, the AFL leader and ex-state senator, supposedly might prefer to take a whirl at campaigning for governor.

Sheridan Downey will be unopposed by the Democrats for reelection a U.S. Senator, according to the grapevine, on the simple theory that they figure they can't beat him.

For Attorney General, the Bourbons may try for victory with Edmund G. "Pat" Brown, San Francisco district attorney, who lost out in '46.

So the Demo line-up for the '50 elections could be as follows: Jimmy Roosevelt for Governor; George Luckey (or Jack Shelley) for Lt. Governor; Sheridan Downey for U. S. Senator and "Pat" Brown for Attorney General.

Needless to say, there can be many a slip betwixt the cup and lip—particularly in politics.

## Money No One Wants From County to State

SACRAMENTO (W.N.S.)—Unclaimed funds deposited in the state treasury during March from Nevada County totaled \$472.12, Thomas H. Kuchel, state controller, announced. The funds came from 14 estates for which no heirs filed claims, Kuchel said. The deposited moneys are held by the state treasurer for a period of time, during which claims may be made by heirs.

## Train Crew Measure Is OK'd by Howser

SACRAMENTO (W.N.S.)—Title to an initiative on railroad train crews was certified recently by Attorney General Fred N. Howser to Secretary of State Frank Jordan.

The initiative would require one engineer and one fireman for each diesel locomotive and require employment of specified number of brakemen, depending on the number of cars in the train and grade of the track.

TAHOE—Members of the Tahoe-Sierra branch of the American Association of University Women held a dinner meeting at Tahoe Inn Monday evening. Mrs. Bliss Hinkle, president, conducted the session.

Business of the evening included the election of Mrs. Ray Scott of Truckee as program chairman and vice president; of Miss Edna Lardner, Tahoe Lake school teacher, as secretary and the re-election of Mrs. Florence Slade as treasurer.

Plans were completed for the showing of the technicolor picture, The Mikado, at a Kings Beach theater on Tuesday evening, May 17. Proceeds will go toward the group's scholarship fund.

Others present included Mesdames Marion Rustad, Diane Warner, Dorothy Johanson, Norman Sarratt and Miss Betty Lee, all of the Tahoe City area; Mrs. Robert Hatch of Bliss Park; Mrs. Jerry Lewis of Donner Lake; Mesdames Milton Hogle and George Zorich of Soda Springs. The latter's mother, Mrs. Burke of Plymouth, was a guest.

## Tahoe Area State Parks On Limited List for Summer Season Period

SACRAMENTO—Fifteen-day camping limits again will be set in major camping areas of the California State Park System for the 1949 summer season to assure camping opportunities to a maximum number of individuals. State parks in which the 15-day camping limit applies and the effective dates include the D. L. Bliss State Park at Rubicon Point on Lake Tahoe in El Dorado County and Tahoe Campground in Placer County, both from June 1 to September 1.

A. E. Henning, chief of the state division of beaches and park, announced the restricted camping period will be necessary because of increased park attendance already evidenced this year ahead of the heavy summer To protect the valuable state park areas from damage, Henning has instructed state park rangers to permit camping only to the extent of available facilities.

## French Skiing Expert Hired to Direct Squaw Valley School

SAN FRANCISCO—The originator and exponent of the "Al-lais Ski Technique", Emile Allais, French ski racer and coach has been appointed director of the Squaw Valley Ski School. Allais declared he was "very happy to present the French technique for the first time in the United States."

Another nationally-known skier reportedly signed to teach in the new resort next winter is Miss Dodie Post of Reno, member of the 1948 U.S. Olympic team.

Squaw Valley, projected as a \$300,000 ski area, is located half way between Truckee and Tahoe off Highway 89.

### TAHOE ITEMS

The first bear of the season was reported dining in the garage can of the Charles Swanson home at Tahoe City late Sunday night. Footprints in the snow indicated the prowler weighed around 300 pounds.

Mr. and Mrs. Waldo Gross of Lake Forest returned to their resort after spending the winter at Sacramento. Last November, after leaving Tahoe, they enjoyed a vacation trip to the Grand Canyon and other interesting spots.

William Miedema of Kings Beach has returned to classes at the Tahoe high school. He

spent the winter with his family at Pasadena.

William Randall of Kings Beach paid a \$50 fine to Justice of the Peace C. W. Vernon on April 18. He was involved in a collision at the foot of Dollar Hill on March 25 in which two persons were injured.

### Mail Haul Contract

TAHOE—F. Miles Horne, who operates a gas station on Highway 89 about half way between Truckee and Tahoe, was awarded the mail contract between the communities. His contract runs from April 16, 1949 to June 30, 1950.

### Jay Shontz Purchases Loynd Store At Tahoe City; Open May 1

TAHOE—A new business sign will hang from the Joe King Building this summer, reading "Jay's Tahoe Drug".

All stock of the former Loynd's Tahoe City Drug has been sold to Jay Milton Shontz of Tahoe City will have the store open for business Sunday, May 1. The purchase was made from E. L. Loynd of Truckee.

Shontz will continue to carry the same fine line of dependable products and will operate the soda fountain but instead of closing for the winter, his store will remain open the year around.

Personnel will include, beside the proprietor, Maribell Clements of University of California at Davis, Peggy O'Connor of Stockton and Jeanne Bolton of Tahoe Park.

One of Tahoe's most personable young men, his large circle of friends is wishing him the best of good luck in his new venture. He is well acquainted and well liked here. He has served as clerk at the Tahoe City store for four summers as well working at Loynd's Drug stores in Kings Beach and Homewood. Before coming to Tahoe, Shontz was employed at J. M. Vickery's Corner Drug Store in Woodland, his knowledge of the business being an asset in competent operation.

Shontz owns his own home in Tahoe City, is married and has one little daughter. A veteran of World War II, he is active in social and civic affairs of the community.

Giraffes grow as tall as 18 feet.

### 100 Attend Potluck to Honor Officers of Lake Tahoe Ski Club

TAHOE—Close to 100 persons enjoyed the pot-luck dinner hosted by the Lake Tahoe Ski Club Saturday night at Tahoe Inn. The club provided baked hams as the main course and ladies of the club brought along the balance of the menu.

Bill Bechdolt, retiring president, introduced the officers who worked with him during his term and praised their accomplishments. They included Floyd Carnell, 1st vice president; Jake Stuart, 2nd vice president; Mrs. Marion Stuart, recording secretary; Charles Henrikson, corresponding secretary; Oliver Corona, treasurer; Kjell Rustad, chief of the hill; Walt Mandeville, tournament director; Ray Fellows, junior ski director, and Oliver Henrikson, Stanley Martin, Al Henry Jr. and Dick Carnell, directors. New officers who will serve with President Gerry Waters include Corona, 1st vice president; Charles Henrikson, 2nd vice president; Mrs. Stuart, recorder; Oscar Quam, treasurer; Carl Bechdolt Jr., junior ski director; Oliver Henrikson, chief of the hill; Floyd Carnell, tournament director; Ray Fellows, Bill Bechdolt and Al Henry Jr., directors.

Two large beautifully decorated cakes were made, one for the outgoing officers and one for the new officers, in whose honors the party was given.

Waters spoke following Bechdolt, expressing the wish that the Lake Tahoe Ski Club will record outstanding accomplishments in the year ahead. He praised especially the cooperation shown between the board of trustees of Tahoe Lake School, Mrs. Northie Pomin, Mrs. Marie Henry and Ray Fellows, who allotted money for the children of the elementary grades for skiing instruction with Kjell Rustad their instructor. Waters is hopeful of maintaining the club as a recreational unit through the summer with hiking, fishing, hunting and other sports enjoyed by the members.

Henry Droste, secretary of the Tahoe-Sierra Association, informed the members they could again look forward to a substantial donation from members of his organization this year.

A directors meeting has been called on Thursday night, April 28, and regular meeting will be held all summer on the last Friday of each month.

### Tahoe Man Seeking Contractor's License

SACRAMENTO —(W. N. S.)—Application for a contractor's license in electrical, general, has been filed with the Contractors' State License Board here by W. R. Jenkinson of Tahoe City. The board delays action ten days after which it issues the license provided no written protest has been received.

### Ice Follies Star

Leaping high in the air is dainty British skating star, Hazel Franklin, featured in the "Aladdin's Lamp" number of the Shiptads and Johnson Ice Follies to be seen at San Francisco's Winterland beginning June 8.

### New Building Rising From Ashes Of Tahoe Park Grocery

TAHOE—The concrete foundation for a new market was laid at Tahoe Park on Monday on the site of the disastrous fire which leveled the Tahoe Park Grocery last year while its owners were on vacation. The new store is being erected by Contractor Dick Boyce for Mr. and Mrs. Ralph Sturgis.

The new edifice will be constructed of steel with an exterior rustic finish to blend with the landscape. The floor will be of five-foot concrete blocks and all wiring will be placed in conduits. Every precaution will be taken in construction of the 40x50 foot building to make it as fire resistant as possible.

The entire front of the building and half way around the sides will be of slanted glass and a concrete sidewalk will grace the front of the building. The store will carry the same type of merchandise as before but will be operated as a self-service market. A large warehouse will adjoin the building and temporary living quarters will be erected at the rear for the Sturgis family.

Representing an investment of \$30,000, the new Tahoe Park store is expected to open around the middle of June.

The Carl Wheats were over from Reno during the past weekend and visited with the A. M. Henrys and the Al Henrys Jr. at Tahoe. A chop suey dinner was enjoyed by the group Sunday at the home of the senior Henrys.

### Still No Water Leaves Lake as Snow Pack Dwindles Under Sun

TAHOE—The level of Lake Tahoe on Monday stood at 6224.67 with still no water leaving the gates in town due to heavy runoff of streams tributary to the Truckee River. Snow on the ground that day had dropped to 15 inches and in open spots larger and larger sections of green-grassed ground was appearing.

Coldest day of the past week was on the 21st with 30 degrees and warmest was on the 22nd with 65. The weather over the

past two weeks has been sunny and warm and the forest is filled with singing birds.

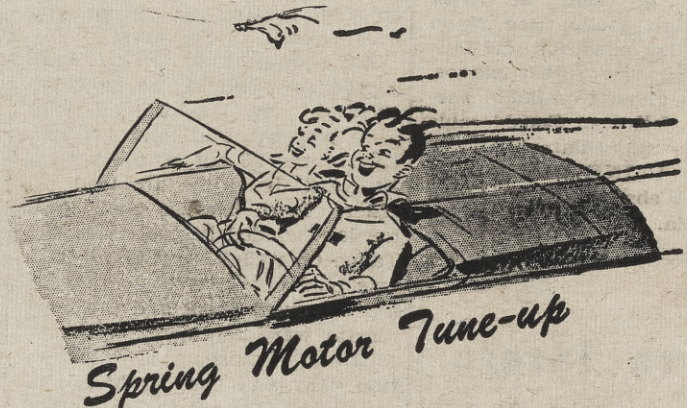

### Surprise Birthday Party For Mrs. Ila Martin

TAHOE—Friends of Mrs. Ila Martin of Tahoe City dropped in on her Monday for a surprise birthday celebration, bringing cake and ice cream and a delightful time was enjoyed by all. Those present were Mesdames Ruth Mayfield, Ida Simmonds, Bessie Dockham, Gladys Quam, Lenora Bartell, Fern Schlueter, Dorothy Johanson, Myrtle Galling and Beccy Shontz and the latter's daughter Jayne.

## Kearney Recalls Donner Lake Fishing Jaunt 66 Years Ago

The opening of Donner Lake—along with Lake Tahoe and Boca Reservoir—on May 1, a month ahead of their tributary streams, recalls to F. F. Kearney his first fishing trip to Donner Lake in 1883, 66 years ago, when he was a small boy.

His pole was a bamboo rod about 12 feet long, imported from China and purchased at the local grocery store for 10 cents. A spool of black linen thread, imported from Ireland, bought at the home dry goods store for 10 cents, doubled, twisted and waxed with wax from the shoe-maker's, made a fine, strong line. His reel was fashioned from a piece of wood about six inches long, an inch wide and an inch thick. This was fastened, like the modern reel, to the end

of the pole and the line was looped around the block, each loop letting out about a foot of line. The guides and tips for the pole were made from wire off bales of hay. These were fastened to the pole with some waxed thread.

### Crack Shots

The veterans of the Civil War had a rifle club here and behind their targets in the dirt could be found all the lead needed for sinkers. Incidentally, Kearney relates, these veterans shot with their old needle rifles at 1500 yards and some of them could hit a six-inch bullseye seven out of ten shots.

His fish hook was imported from England and was bought at the home drug store for five cents. A three-foot leader cost 35 cents; too much money, so the last 20 feet of the linen thread line was dyed green with some of the dye left from coloring Easter eggs and the hook was tied directly to the green end. The line in the water looked like a string of moss and was just as effective as a leader.

On the hills around Truckee were lots of logs left by the mill men and in these decaying logs were many fine, big, fat grub worms and the tall trees that are on the hills now were then only three and four feet high. However, the favorite bait on Donner Lake was canned shrimp. A 29-ounce can could be bought

## Six Old Age Pensioners Apply During Week

SACRAMENTO — (W. N. S.)—Applications for old age pensions in Nevada County for the week ending April 16 totaled six, the state department of social welfare announces, compared to 11 the previous week.

The county received 134 applications since December 31, when provision of the new pension law went into effect, and on April 16 had 44 applications pending.

Water power accounts for only five per cent of all energy produced in America.

Digressing momentarily from his fishing narrative, Kearney recollected other little economic notes of the time. There was a tin-shop in Truckee and the tin smith made the pans in which the milk was placed before being skimmed by hand. In the Truckee Lumber Company box factory they made furniture and a bureau, wash stand, bed and two chairs could be bought for \$15.

Kearney concluded that he arrived home with his five trout, weighing seven pounds, after walking 14 miles and had had a perfect day. He expressed the wish he could do it this year but there are no black spotted trout in Donner Lake now and not many fishermen can catch seven pounds of trout in day, he said.

at the grocery store for 25 cents so they had shrimp salad in the homes quite often and on this fishing trip, Kearney had about five cents worth of shrimp from the can for the home salad.

### All Day Jaunt

With his pole on his shoulder, a paper bag with his dinner in it, two cans of bait (grubs and shrimp) in his pockets and a willow with a crotch in it to string his trout on, he left home at 4 a.m. to walk the four miles to the foot of the lake. No bikes, no autos and not much in the way of roads those days. At the foot of the lake rowboats could be rented all day for 50 cents but small boys didn't have the 50 cents and anyway the boat owners wouldn't rent to boys, so Kearney trudged on three more miles to the head of the lake, fishing from the shore. Arriving at the head of the lake, he had five trout that weighed a little more than a pound each.

The hills around the lake were still covered with snow and the water in the lake was ice cold. Trout taken from this cold water were much firmer and had a finer flavor than those taken from the lake when the water got warmer, according to the angler. There was nothing, he said, to compare with these cold water trout, rolled in corn meal and fried in butter. The butter

in those days was made right here in the summer by the dairy men and sold direct to the families at 15 cents a pound in 20-pound kegs. There was a cooper shop here and the kegs were made by the cooper.

So they shall know good music of all nations

Casey Jones, Paul Bunyan, Pecos Bill, Johnny Appleseed... all the legendary heroes of America are this year coming to life for children in 2,663 schools through the music of the Standard School Broadcast.

Each week, this program plays and explains good music for an estimated 400,000 classroom listeners. Title of the current course is "American Music and Folklore"... but over the years, music of all nations has been studied and enjoyed. Manuals and other materials are supplied for the use of teachers.

This is the twenty-first year of Standard School Broadcasts. It is our sincere hope that we have helped children in the West know and appreciate the music of the world and understand better its people.

**Back from Trip—**

A. Ellert has returned from a two weeks trip through Arizona and southern California. While in Los Angeles, he attended the sportsmen's show at Gilmore stadium and visited briefly with Lloyd Van Sickle and Lewis Price who were exhibiting their teams of purebred Samoyede sled dogs at the show.

**Has New Ford—**

Rev. Oscar Swenson is piloting a new Ford tudor which he purchased from the Wittich Motor Co. of Colfax.

**Back from Vacation—**

Mr. and Mrs. Harry Digesti and son have returned after a vacation trip through the Sacramento valley and coastal area.

**Returns Home—**

John Cabona, who spent the winter at Bakersfield, has returned to Truckee for the summer.

**Up from City—**

Mr. and Mrs. Carl Smith, former local residents, now in San Francisco, spent the weekend here looking after local property.

**Hudson Writes Greeting From Brazilian Job**

"Tell all the folks in Truckee hello for me. I would like to have some of that snow I've been reading about in the paper. We get plenty of rain but there is one thing for sure, it never freezes."

So writes Henry Hudson, former operator of the Truckee Garage who is now working on heavy construction projects for Morrison-Knudsen Co. in Brazil.

"The job is a tough one," he writes. "I came down here on a two and a half year job. Now we have to drill another tunnel and that will take another year at least. I figure I can go deer hunting in 1952 if I'm lucky. They have deer down here but the goats are bigger."

Hudson says he is receiving the Sierra Sun regularly and "I sure enjoy getting it too. I don't think there is one line I don't read. Even if it is almost two months old it is news to me."

**Work Started on New County Fair Project**

After 11 years of concentrated effort to clear the title to the 76-acre Nevada County Fair grounds near Grass Valley, Miss Edith Scott, secretary of the Nevada County Fair Association, this week announced that through the efforts of State Senator Harold Johnson the way has been paved for improving and developing the site.

An architect, R. R. Franceschi of Sacramento, has been engaged to draw up plans for the grounds, including water and sewer lines, electrical distribution, a 1,000 seat grandstand, comfort stations, etc.

During the past 11 years the district has worked for the permanent fair grounds, a fund of \$122,000 has been accumulated to take care of the work which is expected to be completed by the time for the fair August 25 to 28, Miss Scott said. Loyal Freeman is manager of the committee.

C. Edmunds is the Truckee fair director.

**Buy House—**

Mrs. R. Catterlin writes that they have bought a new house in Oakland and want the Sierra Sun to follow to the new address because they enjoy the news from this region.

**Returns Home—**

Mrs. Eliza Campbell returned home Sunday after spending several months in Oakland and Roseville and is much improved in health.

**Visits Cousin—**

Silas Stice of Missouri, a master sergeant in the army, stopped off here yesterday for a brief visit with his cousin, Earl Stice, en route to the Pacific.

**Vacation—**

Dr. and Mrs. J. H. Bernard have returned from a brief vacation in the Santa Cruz mountains where they were guests of their son-in-law and daughter, Mr. and Mrs. Warren Davison of Livermore.

**Visiting Here—**

W. F. Wilkie and Mr. and Mrs. W. F. Wilkie Jr. arrived from San Francisco during the week end. Wilkie Sr. will return to the bay city after a brief visit with local friends.

## Tarzan

by EDGAR RICE BURROUGHS

IN THE SWELTERING HEAT OF MIDDAY, TARZAN STRETCHED DROWSILY ON THE BROAD BACK OF TANTOR. THE SCREAM OF A PANTHER ABRUPTLY SHATTERED THE JUNGLE STILLNESS.

"IT IS UNUSUAL," TARZAN THOUGHT, "FOR SHEETA TO HUNT IN THE HEAT OF THE DAY." THE LEOPARD'S CRY AROUSED TARZAN'S CURIOSITY AND DEMANDED INVESTIGATION.

FROM ONE LOFTY BRANCH TO ANOTHER, TARZAN SWIFT WITH INCREDIBLE SPEED, THE LEOPARD SCENT GROWING EVER STRONGER.

THEN ABRUPTLY HE PAUSED TO INSPECT THE GROUND BELOW. IT WAS QUITE OBVIOUS THE WHITE MAN LYING THERE WAS TOO BADLY WOUNDED TO PROTECT HIMSELF FROM THE CHARGING PANTHER.

Copyright 1949, Edgar Rice Burroughs, Inc.—Tm. Reg. U. S. Pat. Off.  
Distr. by United Feature Syndicate, Inc.

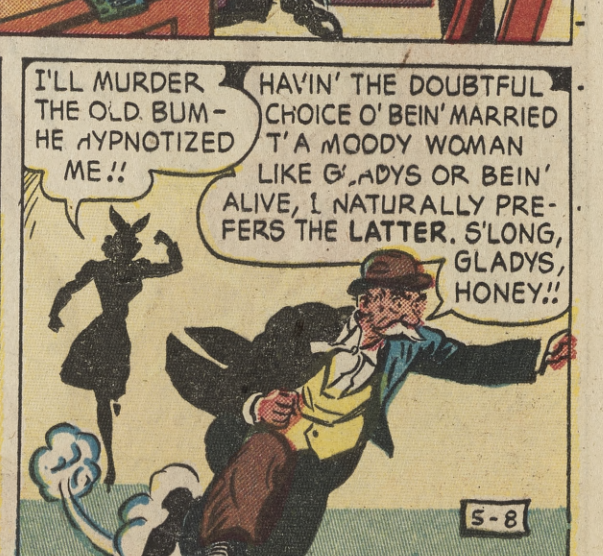

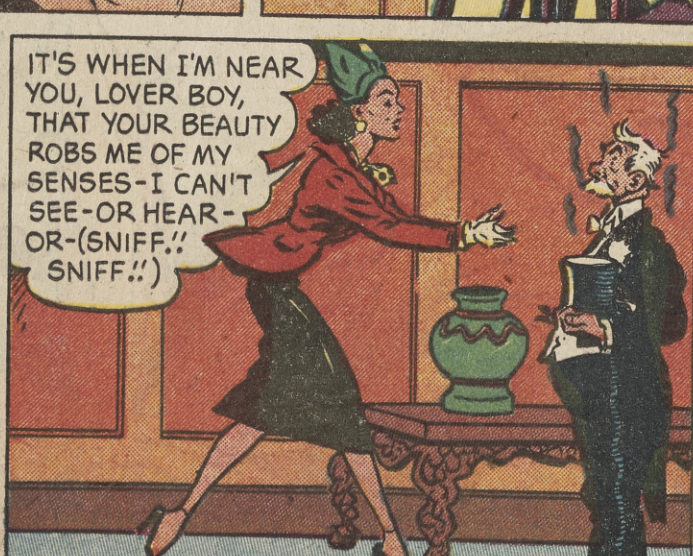

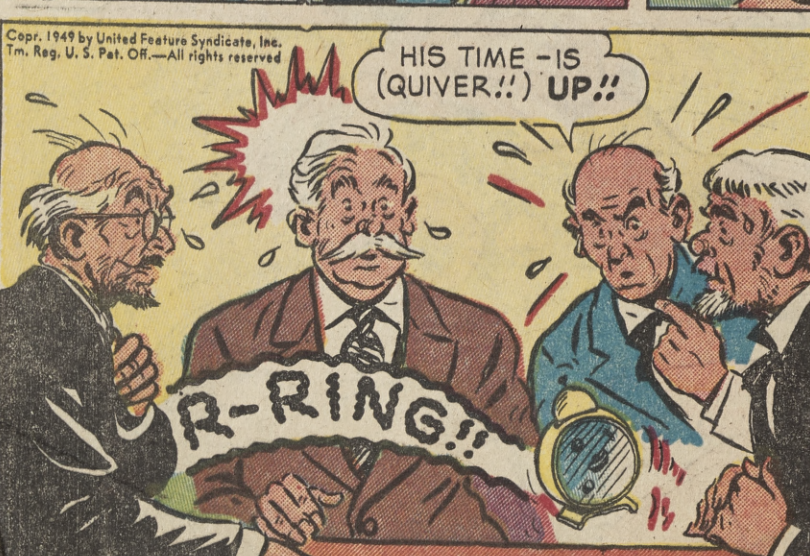

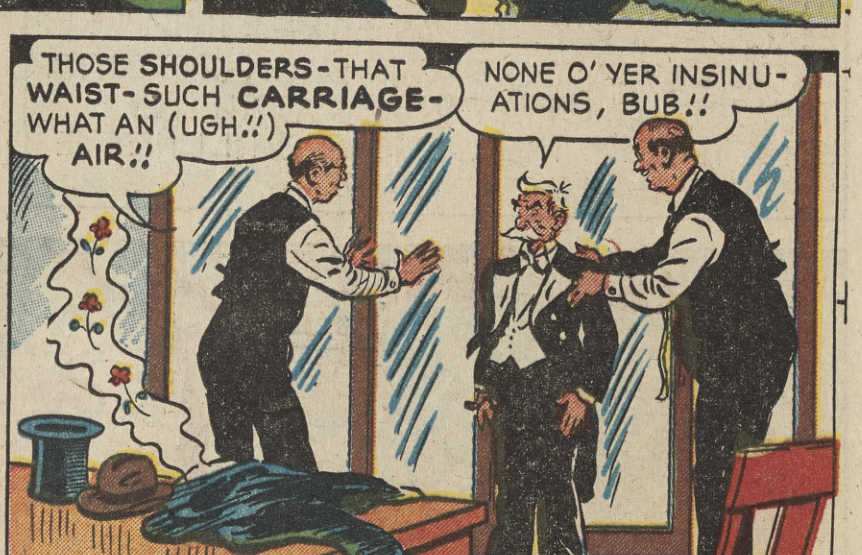

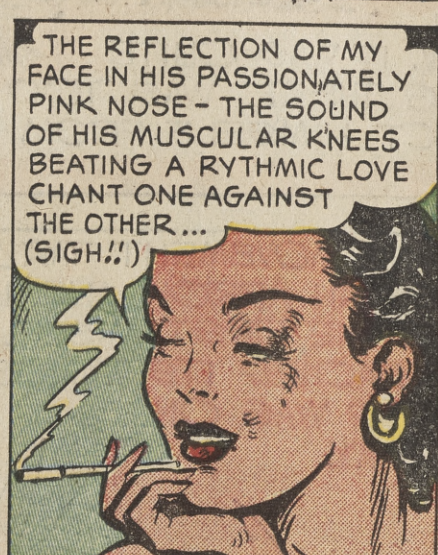

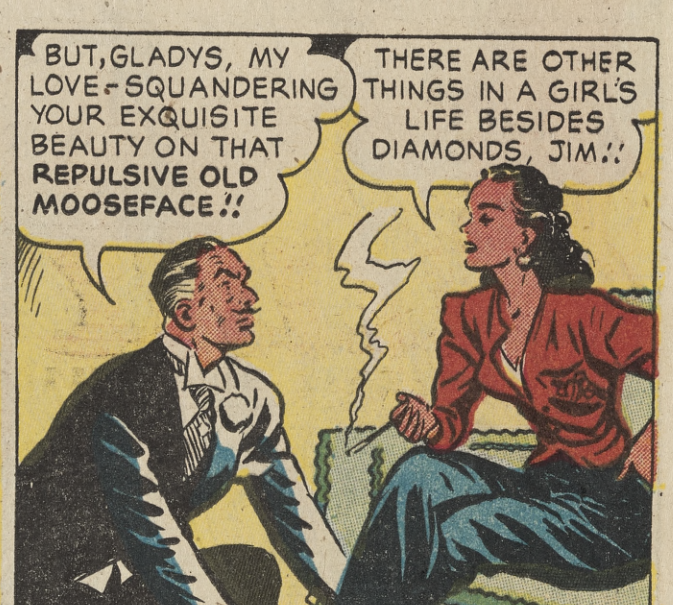

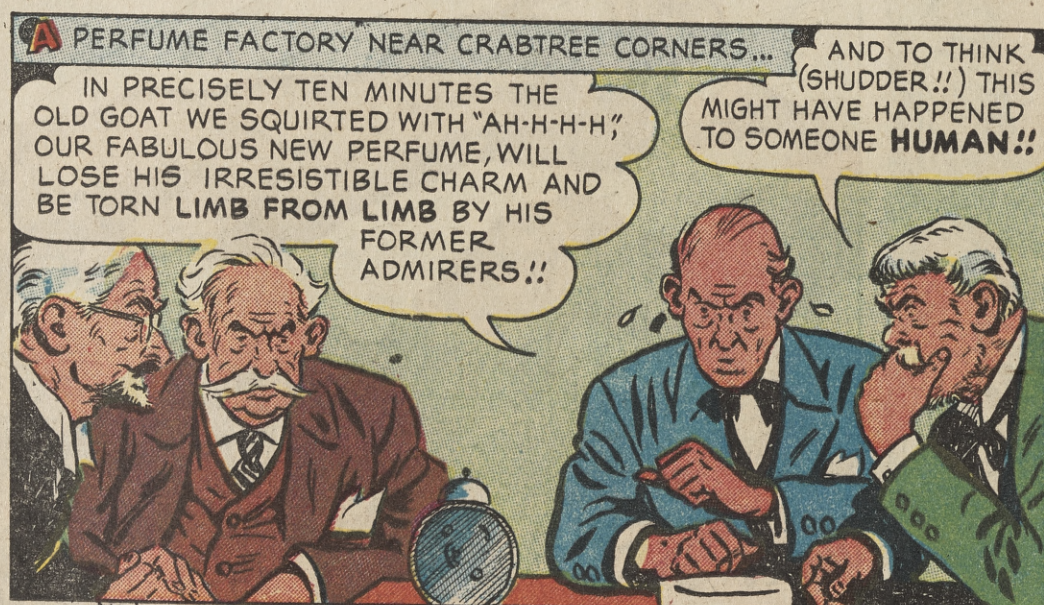

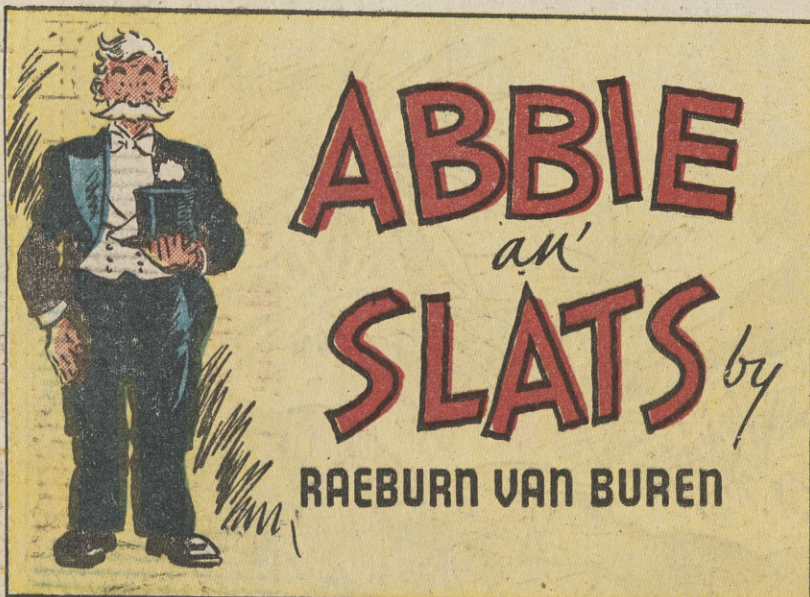

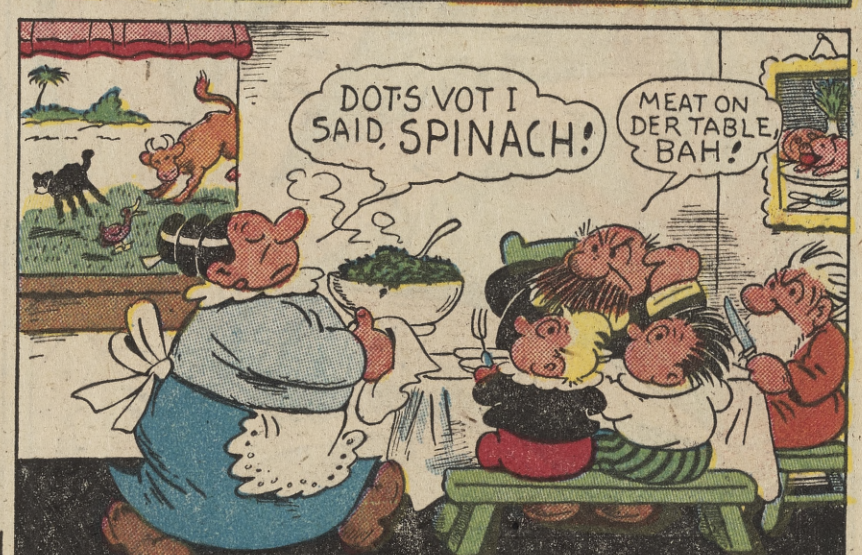

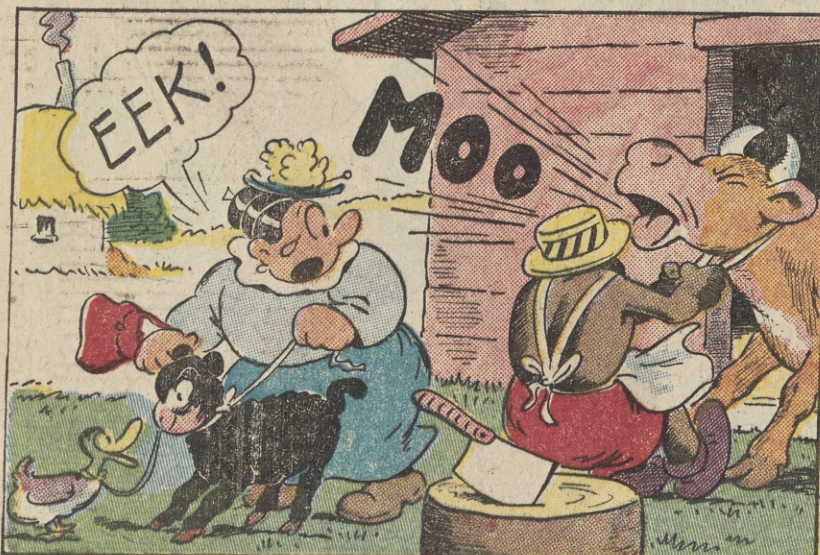

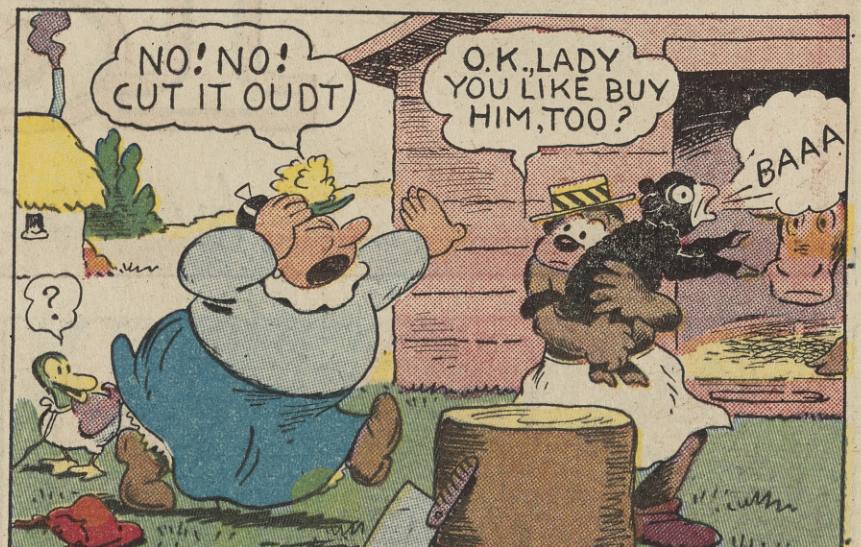

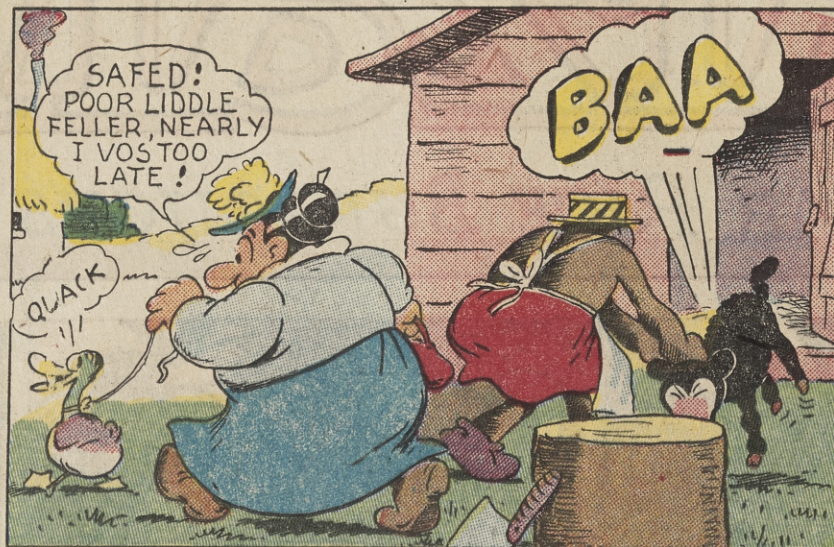

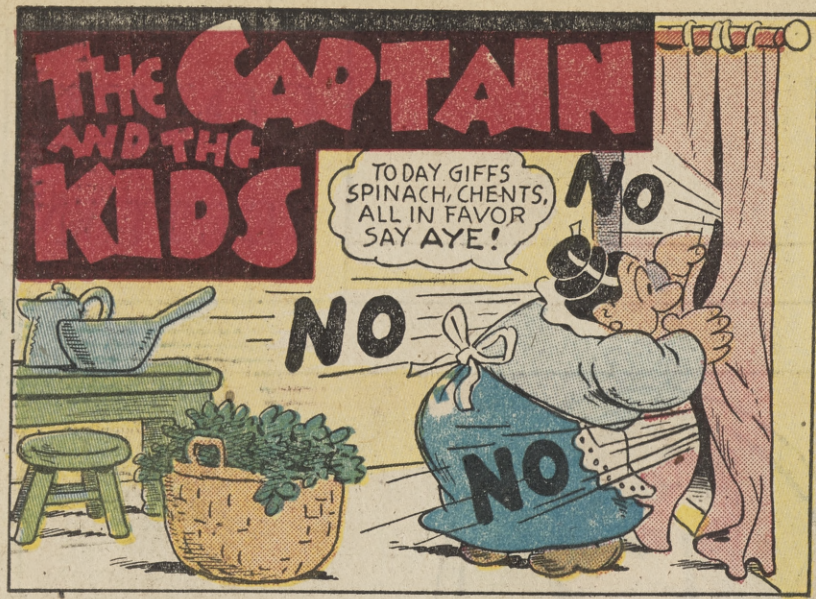

IN ONE FLASHING MOVEMENT TARZAN RAISED HIS BOW, FITTED AN ARROW, AND LET IT FLY. BEFORE THE FIRST MISSILE HAD BARELY REACHED ITS TARGET, A SECOND WAS ON ITS WAY.
